Subject: Regarding exam registration for online NPTEL courses.

Ref: 1)My earlier letter to you dated:16.11.18 having ref: MATH/2018-2019/102.

2) My earlier letter to you dated:14.12.18 having ref: MATH/2018-2019/151.

Respected Sir/Madam,

This is in continuation with my earlier letters to you, which are quoted in above reference. I am quite sure that by this time, most of faculty members, students and non-teaching staff of our campus must have enrolled to NPTEL online courses via our university's NPTEL Local Chapter. The deadline for enrolling to some of the courses(out of total 291 courses) is 04 February, 2019. So you can inform faculty memebers/students for enrollment.

Note that, there are two aspects viz: enrollment and registration, which can be ellaborated as follows:

If 'x' just enrolls for NPTEL courses, then 'x' can get access to video lectures, assignments, discussion forum etc, but if 'x' wants certification and wants to avail fee waiver(besides all advantages of NPTEL course enrollment) from NPTEL , then 'x' needs to do exam registration. The link for exam registration is: <http://nptelonlinecourses>.

I urge all of you, to bring it to notice of all faculty members, students, non-teaching staff and encourage them to enroll and then register for these courses at onlinecourses.nptel.ac.in. Thanking you.
