Pedagogical Training for Teachers on Tools for Teaching Learning and
Evaluation
1-6 July 2020

- Edmodo is the leading social learning platform with more than 85 million users.
- Students can post messages to their teachers, or to their entire Edmodo group, but not private messages to each other.
- We can create Groups (closed private networks) separately or within the classes (eg.slow and advanced learners).
- Communication Stream : just like facebook
- Student badges award students' hard work, participation, proud moments of achievement, etc.
- Teacher badges: creating a class group, forming teacher connections, following a publisher community, participating in an edmodo training group, sharing content etc.

Post

The screenshot shows a class chat interface. At the top, there is a class code '7z8der'. Below it, a teacher named 'Rupali Jain' has posted a message in Marathi: 'Do you think Lockdown will be extended further?'. The text 'Lockdown' is underlined. A green arrow points to the message with the label 'Post message'. Below the message, there is a toolbar with icons for adding images, documents, text, and emojis. A red box highlights these icons, with a red arrow pointing to them and the label 'Add Material'. To the right of the toolbar is a blue 'Post' button, which is circled in red. Below the toolbar, there are options to 'Create a poll' (circled in pink) and 'Wellness Check'.

- After adding students, we can post messages from class home page
- We can create poll, which is very useful many times

Options for Shared post

The screenshot shows a Facebook post interface. At the top, there is a header with a profile picture and the text "Start a discussion, share class materials, etc...". Below this is a post by "Dr. Jain" (Teacher) with the text "Do you think Lockdown will be extended further?". The post has "Like" and "Comment" buttons. A context menu is open over the post, listing options: "Link to Post", "Edit Post", "Delete Post", "Pin Post", "Add Post to Library", and "Turn On Notifications For This Post". The "Pin Post" option is highlighted with an orange underline. Two green arrows point to the three-dot menu icon and the "Pin Post" option.

- Share the post through link, edit, delete post etc.
- We can pin the post if it is important
