

Sept. 25, 2017

## INVITATION LETTER

**Rajaram S. Mane, Dr. Professor**  
School of Physical Science SRTM, University,  
Nande, India

Dear Prof. Mane

I would invite you to my R&D Center as "Research Visiting Professor" from October 1<sup>st</sup>, 2017 to 31<sup>st</sup> Dec. 2017. Your visit and work in our Center will be much helpful for the R&D progress on on-going materials developments of super-capacitor and/or solar-cell for next generation Energy Storage System.

You will stay and work both as a research professor of National Core Research Center in Pusan National University and as a participating researcher in Global Frontier R&D Center at Pusan National University.

All necessary costs for R&D materials and analyses to be done here will be also supported.

I hope you work here and get many fruitful results with me.

Looking forward to a pleasure of working together,

Sincerely,

Kwang Ho Kim  
Director of Global Frontier R&D  
Center for Hybrid Interface-based  
Future Materials  
Director of National Core Research  
Center for Hybrid Materials Solution  
Professor of School of Materials Science and  
Engineering Pusan National University  
Busan 609-735, Korea

Global Frontier R&D Center  
for Hybrid Interface-based  
Future Materials

Pusan National University  
School of Materials Science  
and Engineering

Address:  
Hyowon Industry-Cooperation Bldg.  
Pusan National University, Busan, Korea
