Proforma of pre-proposal

Before submitting the detailed project proposal to the Rajiv Gandhi Science & Technology Commission, the investigator/institution is advised to submit a pre-proposal (the project idea) for consideration. After receiving comments from the Commission Office on the pre-proposal, the detailed proposal may be submitted. However, approval to the pre-proposal (the project idea) does not guarantee approval to the final proposal. The pre-proposal should cover the following points and should not exceed 500 words.

No.	Point	
01	Title of the project proposal	
02	Name of the Institution where the work will be carried out.	
03	Name of the investigator.	
04	Objective of the project.	
05	Methodology.	
06	Duration of the project.	
07	Approximate cost of the project	
08	What is the scope of the project? What end results are expected?	
09	Why do you feel the necessity to undertake this work?	
10	Who will be benefited by the proposed work and what is the scope for its replication?
