(Structure and Syllabus of Four Years Multidisciplinary
Degree Program with Multiple Entry and Exit Option)

**UNDERGRADUATE PROGRAMME OF
HUMANITIES**

Second Year Structure and Syllabus
Co-curricular Courses (CC)

NCC

Under the Faculty of Humanities

Effective from Academic year 2026-2027
(As per NEP – 2020)

From the Desk of the Dean:

To meet the challenge of ensuring excellence in undergraduate programme Humanities education, the issue of quality needs to be addressed, debated and taken forward in a systematic manner. Accreditation is the principal means of quality assurance in higher education. The major emphasis of accreditation process is to measure the outcomes of the program that is being accredited. In line with this Faculty of Humanities of Swami Ramanand Teerth Marathwada University Nanded has taken a lead in incorporating philosophy of outcome-based education in the process of curriculum development.

Faculty of Humanities, Swami Ramanand Teerth Marathwada University Nanded, in one of its meetings unanimously resolved that, each Board of Studies shall prepare some Program Educational Objectives (PEO's) and give freedom to affiliated Institutes to add few (PEO's) and course objectives and course outcomes to be clearly defined for each course, so that all faculty members in affiliated colleges understand the depth and approach of course to be taught, which will enhance learner's learning process. It was also resolved that, maximum senior faculty from colleges and experts from industry to be involved while revising the curriculum. We are happy to state that, each Board of studies has adhered to the resolutions passed by Faculty of Humanities, and developed curriculum accordingly. In addition to outcome-based education, semester-based credit and grading system is also introduced to ensure quality of education.

Semester based Credit and grading system enables a much-required shift in focus from teacher-centric to learner-centric education since the workload estimated is based on the investment of time in learning and not in teaching. It also focuses on continuous evaluation which will enhance the quality of education. Swami Ramanand Teerth Marathwada University Nanded has taken a lead in implementing the system through its affiliated Institutes and Faculty of Technology has devised a transparent credit assignment policy and adopted ten points scale to grade learner's performance. Credit assignment for courses is based on 15 weeks teaching learning process, however content of courses is to be taught in 12-13 weeks and remaining 3-2 weeks to be utilized for revision, guest lectures, coverage of content beyond syllabus etc.

Credit and grading based system will be implemented for First Year of Humanities from the academic year 2024-2025. Subsequently this system will be carried forward for Second Year Humanities in the academic year 2025-2026, for Third Year and Final Year Humanities in the academic years 2026-2027 respectively.

Dr. Parag Khadke,
Dean,
Faculty of Humanities,
Swami Ramanand Teerth Marathwada
University, Nanded

From Desk of Chairman, Board of Studies of the Subject Military Science & NCC

Preamble:

The National Cadet Corps (NCC) is governed by NCC Act 1948 and attendant NCC Rules. It functions under the Ministry of Defence and is headed by DGNCC. It is organized into 17 State Directorates each headed by an Additional/Deputy Director General.

The aims of NCC are:- (a) To develop character, camaraderie, discipline, secular outlook, the spirit of adventure, sportsman spirit and ideals of selfless service amongst cadets by working in teams, honing qualities such as self-discipline, self-confidence, self-reliance and dignity of labor in the cadets. (b) To create a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regard less of which career they choose. (c) To provide a conducive environment to motivate young Indians to choose the Armed Forces as a career.

Currently NCC training is imparted as extra-curricular activity to volunteer students from recognized schools and colleges who enroll as cadets. NCC as a Credit Course is designed with an intent to transform NCC training into a curricular activity from an extra-curricular thereby providing academic credits to students undergoing NCC training along with other attended advantages to the cadets in the college/ university.

Introduction to NCC Credit Course Design. Institutional Training is the mainstay of NCC training and it is conducted at colleges and universities by Associate NCC Officers and Armed Forces personnel. The application of knowledge gained through institutional training is further honed or developed to a higher degree in NCC Camps. The Institutional Training syllabus comprises Common Subjects and Specialised Subjects (military component).

Training schedules planned for cadets ensure that the optimum benefits of the NCC organization reach maximum number of cadets. The main emphasis is on practical training which in consonance with theory is made to facilitate active participation of learner, better assimilation of knowledge, and proper development of various skills, strengthening of mind and body which is the bedrock of NCC training.

This will benefit cadets, including those from the border areas where additional cadet strength has been authorised as part of the overall Border Areas Expansion Plan and help the youth to contribute towards Nation building. NCC is to be considered a General Elective Credit Course (GECC) in response to the proposal mooted by the Directorate General National Cadet Corps, New Delhi.

The move is in consonance with the National Education Policy 2020 where students can select their choices of subjects rather than being confined to only those being offered by the institutions. On successful completion of the course, students are awarded credit points which will enable them to qualify for their respective degrees..

In addition to Program Educational Objectives, for each course of undergraduate program, objectives and expected outcomes from learner's point of view are also included in the curriculum to support the philosophy of outcome based education. I believe strongly that small step taken in right direction will definitely help in providing quality education to the stake holders.

Curriculum Details

Course pre-requisite:

- Be an active NCC cadet enrolled in the respective Army/Navy/Air Force wing unit.
- NCC cadets who have passed the NCC “C” certificate examination will be eligible for this course.
- Basic physical fitness and willingness to participation drill activities.
- Basic understanding of discipline and teamwork.
- Interest in national security, leadership and personality development.

Course objectives:

- To develop discipline, confidence and leadership qualities among students through drill practice.
- To provide knowledge of map reading and conventional signs.
- To create awareness about personal hygiene, sanitation and first aid.
- To train students in handling common medical emergencies and wound care.
- To promote physical fitness through yoga and exercise.
- To inspire students through case studies of great national leaders and military personalities.

Course outcomes:

- Perform basic drill movements and follow words of command correctly.
- Understand different types of maps and interpret conventional signs.
- Maintain personal and camp hygiene effectively.
- Demonstrate knowledge of wound treatment and basic health care practices.
- Explain leadership qualities Learned from personalities like Chatrapati Shivaji Maharaj, Maharana Pratap, Rani Lakshmibai, Dr. A P J Abdul Kalam, Field Marshal Sam Manekshaw, Field Marshal K M Cariappa, Lt. Gen. Madhuri Kanitkar, Tessy Thomas.
- Develop teamwork, patriotism and a sense of national responsibility.

Distribution and Evaluation of Course Assessment

A. Continuous Assessment (CA) (40% of Maximum Marks):

Test I	Assignment	Attendance	Total (1+2+3)
1	2	3	4
10	06	04	20

This will form 40% of the Maximum Marks and will be carried out throughout the semester. It may be done by conducting **One Tests (Theory/Practical), One Assignment and Overall attendance**. Total of marks scored in this one test, one assignment and overall attendance of CA.
